

Get medical care, anytime, anywhere

When you're not feeling well, you don't want to wait to get care. Good news — with virtual care from Teladoc Health (Teladoc), you don't have to!

Teladoc is a leader in whole-person virtual care. With Teladoc General Medical, you get 24/7 access to low-cost, high-quality virtual health care for common health concerns like cough, sore throat, fever, rashes, allergies, asthma, ear infections, pink eye, nausea, and more.

Using Teladoc General Medical is quick and convenient. Features include:

- Access to one of the largest virtual care networks in the country, with board-certified doctors who are available by phone, web, or the Teladoc award-winning mobile app
- Interpreters who know your language, including American Sign Language (ASL)
- Prescription requests sent to your pharmacy of choice
- A caregiving option, which allows a babysitter to schedule a visit on your behalf if your child gets sick while in their care

How Teladoc General Medical works

Initiate: You can access Teladoc by:

- Calling 1-800-835-2362, or
- Visiting teladochealth.com, or
- Downloading the Teladoc mobile app

Request: Schedule a visit at your preferred time or request an on-demand visit for an urgent need.

Visit: Meet with your doctor, who will evaluate you and answer your health questions.

Resolve: Your doctor uploads a visit summary to your Teladoc file, sends any prescriptions to your pharmacy, and provides details for follow-up.

How Teladoc Dermatology Care works

Initiate: You can access Teladoc by:

- Calling 1-800-835-2362, or
- Visiting [teladochealth.com](https://www.teladochealth.com), or
- Downloading the Teladoc mobile app

Inform: Complete the intake form and provide details about your skin concern.

Upload images: Upload a minimum of three digital pictures, so the dermatologist can evaluate your skin.

View online results: Within two business days, you will get a notification in the online message center from your dermatologist, with a diagnosis and treatment plan. Your dermatologist can also send any prescriptions to your pharmacy.

Follow-up: Use the online message center to communicate with your dermatologist over the next seven days. You can ask any follow-up questions or report how the condition is responding to treatment.
